

School Closure 2020

Plan of Work for 1st Class Pupils

Dear parents,

We hope you are all keeping well. Here is a further update to the work that could be completed with your child over the duration of the school closure from the 30/03/20 up until the day of the Easter holidays 03/04/20. We have attached an activity grid which can be printed off and coloured as you go.

These are only suggestions but by no means mandatory.

Hopefully we will be back to normal soon!

Thank you once again for your cooperation and take care everyone,
Mrs Kiely, Ms S. O'Connor, Ms Collins.

If parents have queries on the work outlined in this Work Plan, teachers can be contacted by email. We would ask parents to be respectful of the demands on people at the moment so please contact teachers only during regular school hours.
